

Material Safety Data Sheet

1. Material and company information

1.1 Product name: Edge trim

1.2 Supplier's Name: Integrity Products & Supplies Inc.

Address: #188, 2121 Premier Way, Sherwood Park, AB T8H 0B8

CAS No.: 63394-02-5

2. Composition/Information On Ingredients

Contains: silicone polymers, silica, fire retardant fillers and stainless steel 316

3. Hazardous effects

No significant hazard.

4. First aid

Inhalation: Not hazardous under normal industrial usage. In case of asphyxia due to burning products take the victim to fresh air.

In respiratory arrest artificial ventilation is to be performed.

Skin contact: No first aid is usually required.

Eye contact: There may be irritation or redness.

5. Measures and means for fire safety

Fire rating: Non-flammable

Extinguishing media: Standard fire fighting media.

Special Exposure Hazards: Use self contained breathing apparatus.

6. Accidental Release Measures

Collect and forward for further processing to the adjacent branches of production.

7. Handling and Storage

7.1 No particular precautions to handle.

7.2 Storage

Storage conditions: Store in a cool, dry, well ventilated area

8. Exposure Controls/Personal Protection

Exposure limit values: None available

Respiratory protection: Better to use in well ventilated areas.

Hand protection: Wear suitable gloves.

Eye protection: Wear eye protection.

Skin protection: Protective clothing.

9. Physical and chemical properties

9.1 Product property

Aggregative state: Solid
Color: Various
Odor: None
Relative density: 1.3~1.4g/cm³
Continuous working temperature: 160°C
Solubility in water: Insoluble

10. Stability and Reactivity

Stability: Stable at normal temperature
Conditions to avoid: Heat, Moist air, Humidity, Direct Sunlight

11. Toxicological information

Acute toxicity: None Known
Carcinogenicity: N/A

12. Ecological information

Persistence and degradability: No data available
Other adverse effects: No toxicity, meet the requirements of environmental protection

13. Disposal of wastes

No special disposal necessary.

14. Transportation regulations

Transportation of the product shall be accomplished by any kind of transport inside the covered transport facility in conformity with the Rules in force for transportation of cargo. Edge trim out of silicone and SS 316 is not classified as the hazardous cargo follow the dangerous goods regulation of IATA (international air transport association).

15. Regulatory information

Follow all regulations in your country.

16. Other information

Additional health hazard data: N/A
