January 2, 2026

To our valued Customers:

Effective March 1, 2026, there will be a 5% price increase on all products.

We continue to make every effort to control costs as much as possible, while manufacturing quality products. However, raw materials, packaging, along with the cost of utilities, freight and other related expenses have steadily risen, resulting in this increase. AGM has not had a price increase since September 2021.

We thank you for your understanding and support and look forward to being of continued service to you.

Sincerely,

Paula Audette
President

Price increase January 2026
