Bay Insulation

Dear Goodtemp™ Customer:

Effective June 30, 2026, we will be adjusting discounts on our published price list dated, April 15, 2012, to reflect a price increase of approximately 9%. In addition, we charge a freight adjustment due to pallet fee for all palletized shipments. This fee will be adjusted to $825.00 per palletized trailer of pipe cover and $1,200 per palletized trailer of elbows. For trailers containing pipe covering and elbows, an approximate percentage will be charged.

We will honor all existing agreements and quotations.

Our standard terms will continue to be as follows:
2% 10 days, 1% 30 days, Net 60.

We thank you for your business and appreciate your interest in our Goodtemp™ products.

Very truly yours,

HOWRED CORPORATION
