Dear Valued Customer,

We are writing to inform you that effective July 20, 2026, PIC Plastics, Inc. will implement a 6% price increase on all orders received on or after that date.

This adjustment will be achieved by reducing your current discount level while maintaining the existing list prices (dated September 2021), which remain available on our website at www.pic-plastics.com.

If you have already quoted orders scheduled to ship after July 20, 2026, please contact us to determine whether they will be affected.

To ensure fairness, we will be monitoring order activity between now and July 20 and reserve the right to limit unusual or excessive purchasing patterns.

Thank you for your continued partnership.

Phillip A. Smith
President PIC Plastics, Inc
