Subject: Price Increase Announcement

Dear Valued Partner,

Due to rising costs of materials and operations, we will be implementing a price increase on our products, effective June 1st, 2026. We've worked hard to keep increases as minimal as possible, understanding their impact on your planning and budgeting.

We're committed to maintaining the quality and service that you've come to expect from us, and we appreciate your understanding and continued partnership.

The following product categories will be affected: RoundUp Plus Saddles, Heavy Gauge Saddles, Tools, Wood Blocks, and Fiberglass Blocks. The increase percentage is on the second page of this document.

Your local sales rep will email detailed price pages in the coming weeks. Please feel free to reach out to your sales rep or our customer service team with any questions.

Thank you for your ongoing support of Buckaroos.

Warm regards,

Andrew Hiatt
